Air purifiers? Are they worth buying? Probably not from a box store! Visit Basin Clean to learn about the Riccar premium air purifier. Box store air cleaners publish their very small filter rating, don't be fooled, this is only a filter rating and not the systems efficiency rating! If you're in the market for a air purifier, you probably have allergies or other respiratory problems. You owe it to yourself to learn the difference. Our premium air purifier is on sale this month for only \$399.95 reg 499.95.
